

COVID-19 Measures per 15 October 2020

- 01** Upon arrival, each guest or visitor needs to stop by our front desk for a healthcheck and registration. When in doubt, our staff will ask you to leave.
- 02** All guests/visitors and personnel are obligated to wear a mouth mask in all general areas of the hotel. Our long-stay guests are excluded from this rule, because they are part of our 'household' and follow strict instructions
- 03** We do not accept reservations for our restaurant or our meeting rooms. We only serve food to our hotel guests with strict measures and absolute distance between guests.
- 04** Are you visiting our guests, you are asked to meet them preferably in their hotelroom, with a maximum of 2 visitors per time per day.
- 05** When you visit our guests with children under the age of 13 we ask you to take a seat in one of our meetingrooms (if available), to minimize contact with our other guests.
- 06** If you are traveling from an area or country that is categorized with code red or orange in relation tot COVID-19, unfortunately we cannot allow you to enter our hotel. Because of our special concept, we have very vulnerable guests in our hotel whom we must protect at all times
